

Bowel Cancer Screening

Care starts at home

...and it's easy with the NHS bowel cancer screening kit

1. Your kit arrives in the post

2. Complete it in the comfort of your own home

3. Post it back to us.

It's free, it's easy, no fuss!

56 - 74 year olds will receive a kit in the post every 2 years*. If you're aged 75 and over, you can contact the bowel cancer screening helpline every 2 years to request a kit.

* Our screening age is changing and will eventually include people from 50 years.

Don't delay
complete your
kit today!

The earlier we find bowel cancer the easier it is to treat.
